

## Lisburn Cathedral

400 YEARS OF WORSHIP  
ON THE CATHEDRAL SITE IN 2023

From 9th -11th June we are having a weekend of special events, and I would like to invite you to come to this Celebration Weekend at the Cathedral. The weekend starts at 7pm on Friday 9th June with a Brazilian Barbeque. We continue at 1pm on Saturday 10th June with afternoon tea in the Cathedral, and our final event is a 400th Anniversary Celebration Service at 3pm on Sunday 11th June. This service will be live streamed for those unable to attend.

The events are free to attend but are ticketed. Tickets can be booked on the Lisburn Cathedral website, [www.lisburncathedral.org/ticketing](http://www.lisburncathedral.org/ticketing). As part of these celebrations there will be a pictorial display from years gone by of life in the Cathedral. We are also creating a 'wall of weddings'. So if you or any of your friends or family were married in Lisburn Cathedral we would love a copy of a wedding photograph to add to the wall. Please don't send valuable originals but you can email them to [400@lisburncathedral.org](mailto:400@lisburncathedral.org) or drop them into the office. Please mark the photo with names and the date of your wedding!
