

This week we are looking at the miracle of Jesus feeding the 5000.

As we think about this story, we are going to think about the wee boy who gave his lunch.

This boy gave Jesus the little he had. Jesus used it to bless so many. What gifts, talents or time could you give to Jesus for him to use?

Watch our introduction video in the link below.

Below is also another video of the story that can be found in John 6:1-14.

This week we open activity envelope (P). In your activity pack you will find a balloon, we would love you to use this as a fun way to pray. As you blow up the balloon, ask God to bring to mind the gifts and talents you have. Then hold the balloon without letting go. Pray and ask Jesus to use what you have to bless others and to love God. Now let go of your balloon and offer yourself to God!

Why not try Andrea's very thought provoking craft too.
