CIEF REGATHER

Over the past few years, Covid has forced us to find new ways to be together. However, Christianity is a religion of presence. God took flesh and dwelt physically among his people (John 1:14). We follow what He modelled: Hebrews 10:25 calls for us to keep meeting together physically. As we move forward, we must regain the beauty of presence and the wonder of gathering anew as an incarnational people. Gathering together tangibly is essential to our discipleship and worship. Thus we must 'Regather.'

CIEF are delighted to announce our first in-person gathering as Bishop Andrew Forster speaks to us on this theme.
